Australian English (AuE; en-AU) is the set of varieties of the English language native to Australia. Although English has no official status in the Constitution, Australian English is the country's national and de facto official language as it is the first language of the majority of the population.. Australian English began to diverge from British English after the First Settlers, who set up ...

The Oxford Advanced Learner's Dictionary (OALD) was the first advanced learner's dictionary of English. It was first published in 1948. It is the largest English-language dictionary from Oxford University Press aimed at a non-native audience. Users with a more linguistic interest, requiring etymologies or copious references, usually prefer the Concise Oxford English Dictionary, or indeed the ...

Oxford Advanced Learner's Dictionary - Wikipedia

v6 You astonish me. You are leaving God so soon. God chose you and he was kind to you by means of Christ. Now you are listening to a different message. v7 But what you are agreeing with is not the true *good news. There are some people who are trying to confuse you.

Galatians - Free Bible Commentary in easy English

Vigorous writing is concise. A sentence should contain no unnecessary words, a paragraph no unnecessary sentences, for the same reason that a drawing should have no unnecessary lines and a machine no unnecessary parts, This requires not that the writer make all his sentences short, or that he avoid all detail and treat his subject only in outline, but that every word tell.
