Colombia Travel Guide: What to See, Do, Costs, & Ways to Save

Colombia has a tropical climate and is quite unique in the sense that it has two mini wet seasons a year, instead of just one. The months of April and June see some rainfall. August and September tend to be a little drier and of moderate temperature, before the heaviest rainfall comes during October and November.

Colombia Destination Guide | STA Travel

Word is slowly getting out about traveling in Colombia. While many still mistakenly associate the country with only crime and violence, Colombia's problems have long been on the wane, and today it is ready to receive visitors once again. As its tourism board says, "the only risk is wanting to ...
