Comcast Corp. is continuing to improve its customer service by providing less of it - and business owners can learn from this.

How Comcast Succeeds By Providing Less Customer Service

NBC Sports Philadelphia is an American regional sports network owned by the NBC Sports Group unit of NBCUniversal, which in turn is owned by locally based cable television provider Comcast (and owns a controlling 75% interest), and the Philadelphia Phillies (which owns the remaining 25%). It is the flagship owned-and-operated outlet of NBC Sports Regional Networks.

NBC Sports Philadelphia - Wikipedia

"I am writing this because I feel more and more as I work there that I can't sit back and watch Comcast fall flat on its ass when it comes to customer service.

5 Confessions Of A Comcast Customer Service Rep

This tutorial explains how to configure a Comcast Business Class static IP address to enable remote access to network clients from the Internet. The Comcast Business IP Gateway (SMC8014 or NETGEAR CG3000DCR) is configured for pseudo bridge mode by disabling the normal routing, firewall, NAT and DHCP functions. The Internet-routable static IP address is assigned the Linksys WiFi router WAN ...

Yesterday I had Verizon's FIOS fiber-optic Internet service installed at my home. As I pointed out on my blog a few times (see last November 9th, January 28th and February 4th for the reports and pictures), Verizon has been putting up cables all over my city, Newton, Massachusetts. A few weeks ago they started taking orders for installation.

Installing Verizon FIOS fiber-optic Internet service to my ...
