### **Comcast Cable Guide Not Working**

Cable installed in new home last week. I am having this same problem with two boxes in the home. The guide, DVR etc don't work but the light blinks on the box. The buttons on the box do not work either when pushed. I used another cable outlet and this did not cure the problem.

### **guide not working at all! - Xfinity Help and Support ...**

When my On Demand didn't work I had to call Comcast and they sent a signal to the box. It took around 1/2 for VOD to start working again. Concerning your guide population issue - I just went through that and was told that if it is not a signal issue it is probably a software issue and you would have to unplug and box, wait at 30 seconds, replug it and wait and see if the guide downloads
